

NIGERIAN-BRITISH
CHAMBER OF COMMERCE

2026 TRADE MISSION TO THE UK

VENUE: LONDON, UNITED KINGDOM

Theme

Bilateral Trade in the Digital Age:
Finance, Technology & Creative Value Chains

Mission Highlight

- Beyond London in collaboration with the ETK Group (Greater Essex)
- BCC Driving International Trade Conference

MARCH
25TH-
26TH,
2026

NATIONAL ANTHEMS

Nigeria Anthem

1. Nigeria we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, and proud to serve,
Our sovereign Motherland.
2. Our flag shall be a symbol
That truth and justice reign,
In peace or battle honoured,
And this we count as gain,
To hand on to our children
A banner without stain.
3. O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

Great Britain Anthem

God save our gracious King
Long live our noble King
God save the King!
Send him victorious
Happy and glorious
Long to reign over us
God save the King!

President's Address

Distinguished Members of the Nigerian-British Chamber of Commerce, Esteemed Delegates, Partners, Sponsors, Friends and Stakeholders of the Nigerian-British Business Community.

It is with great honour and a deep sense of responsibility that I welcome you all to the **2026 NBCC Trade Mission to the United Kingdom**. Your participation reflects a shared commitment to strengthening the enduring economic and commercial ties between Nigeria and the UK, particularly as global trade is being reshaped by digital transformation.

Building on the successes of previous missions, which have consistently delivered tangible outcomes from high-value trade agreements to impactful public-private dialogues, this year's mission is deliberately positioned to explore new frontiers of collaboration. We are now operating in an era where **finance, technology, and creative industries** are not just sectors, but powerful enablers of economic growth and cross-border integration. We can attest to this with the recent state visit.

The theme of this year's mission, "Bilateral Trade in the Digital Age: Finance, Technology & Creative Value Chains," underscores our collective recognition that the future of trade lies in innovation-driven ecosystems. Digital finance is transforming access to capital, technology is redefining business models, and the creative economy is emerging as a major export driver for Nigeria on the global stage.

As a Chamber, our mandate remains clear: to **facilitate and promote mutually beneficial trade relations between Nigeria and the United Kingdom**, while bridging the gap between public and private sector stakeholders. This mission serves as a strategic platform to deepen that mandate through dialogue, partnerships, and actionable opportunities.

This year's programme has been thoughtfully curated to maximise impact. A key highlight is the **"Beyond London" initiative in collaboration with the ETK Group (Greater Essex)**, which expands our engagement beyond the traditional commercial hubs and opens up new regional investment opportunities within the UK. This initiative reflects our commitment to inclusivity, diversification, and broader economic participation.

In addition, the **BCC Driving International Trade Conference** will provide a robust platform for high-level discussions, knowledge exchange, and policy engagement. These conversations are essential as we collectively navigate evolving regulatory landscapes, digital trade frameworks, and investment climates.

We are also placing strong emphasis on the **creative value chain**, recognising its growing influence in global trade. Nigeria's creative sector—spanning film, music, fashion, and digital content continues to command international attention. By connecting our creative entrepreneurs with UK investors, distributors, and collaborators, we aim to unlock new revenue streams and elevate Nigeria's cultural exports on the global stage.

Furthermore, this mission presents unparalleled opportunities for **business matchmaking, strategic networking, and investment facilitation**. I encourage all participants to engage actively, explore partnerships, and leverage every interaction as a stepping stone toward sustainable growth.

Let me take this opportunity to express my sincere appreciation to our partners, sponsors, and collaborators whose unwavering support has made this mission possible. Your contributions are instrumental in advancing our shared vision of economic prosperity and bilateral cooperation.

As we embark on this important journey, let us remain focused on building **resilient partnerships, embracing innovation, and driving inclusive growth**. The opportunities before us are vast, and together, we can translate them into meaningful outcomes for our businesses, our economies, and our people.

I wish you all a highly productive and rewarding Trade Mission.

Thank you, and welcome.

Prince Abimbola Olashore

President & Chairman of Council
Nigerian-British Chamber of Commerce.

Chairman's Message

2026 NBCC Trade Mission to the United Kingdom

Dear esteemed delegates, partners, members of the Chamber, representatives of government and industry, and our valued stakeholders.

It is with great pleasure that I welcome you to the **2026 NBCC Trade Mission**, a two-day event taking place in the United Kingdom.

This year's theme, "*Bilateral Trade in the Digital Age: Finance, Technology & Creative Value Chains*," reflects a deliberate and forward-looking agenda, one that recognizes the profound transformation reshaping global commerce and the urgent need for Nigeria and the United Kingdom to deepen collaboration in high-growth, future-facing sectors.

A Defining Moment for Nigeria-UK Trade Relations

The global economy is undergoing a structural shift driven by digital innovation, evolving financial systems, and the very fast-paced expansion of the creative industries. For Nigeria and the UK, this presents a unique opportunity to redefine bilateral trade beyond traditional commodities and into knowledge-driven, technology-enabled ecosystems.

This trade mission is not just a platform for engagement, but a strategic intervention aimed at enhancing cross-border investment flows, strengthening digital trade infrastructure, facilitating innovation-led partnerships, and expanding market entry for businesses in both countries.

Our emphasis on finance, technology, and creative value chains is both intentional and timely.

- In finance, we are exploring opportunities in fintech integration, cross-border payments, investment structuring, and financial inclusion; areas where Nigeria has demonstrated

remarkable innovation and the UK offers global leadership.

- In technology, we aim to connect ecosystems, foster collaboration between startups and established firms, and promote the adoption of emerging technologies that can enhance productivity and competitiveness.
- In creative value chains, we recognize the immense potential of Nigeria's creative industries: film, music, fashion, and digital content and their growing influence in the UK and global markets. This mission seeks to unlock distribution channels, funding opportunities, and intellectual property partnerships.

Beyond London: Unlocking Regional Opportunities

A key highlight of this year's mission is our "Beyond London" initiative, delivered in collaboration with the ETK Group (UK).

This component underscores our commitment to broadening the scope of engagement beyond traditional commercial centers. Greater Essex offers a dynamic economic landscape with strengths in innovation, advanced manufacturing, logistics, and education.

We are also proud to align this mission with participation in the British Chambers of Commerce (BCC) Driving International Trade Conference, a premier platform for shaping global trade dialogue.

These engagements provide our delegates with the opportunity to:

- Interface with international trade leaders and policymakers
- Gain insights into global trade trends and regulatory developments
- Position Nigeria as a strategic and competitive trade partner
- Advocate for policies that enhance the ease of doing business between both countries

Driving Tangible Outcomes

This trade mission has been carefully structured to deliver measurable impact. Participants will benefit from:

- Curated business-to-business (B2B) meetings
- Strategic investment roundtables
- Sector-specific networking sessions
- High-level policy and trade discussions

Our goal is clear: to ensure that engagements during this mission translate into real partnerships, concrete investments, and sustainable trade relationships.

As we navigate the complexities of the digital age, collaboration becomes not just beneficial but essential. Governments, private sector players, and institutions must work together to create an enabling environment for trade to thrive.

The Nigerian-British Chamber of Commerce remains committed to serving as a bridge, connecting markets, fostering dialogue, and enabling opportunity.

I encourage all delegates to engage actively, explore opportunities with intention, and build

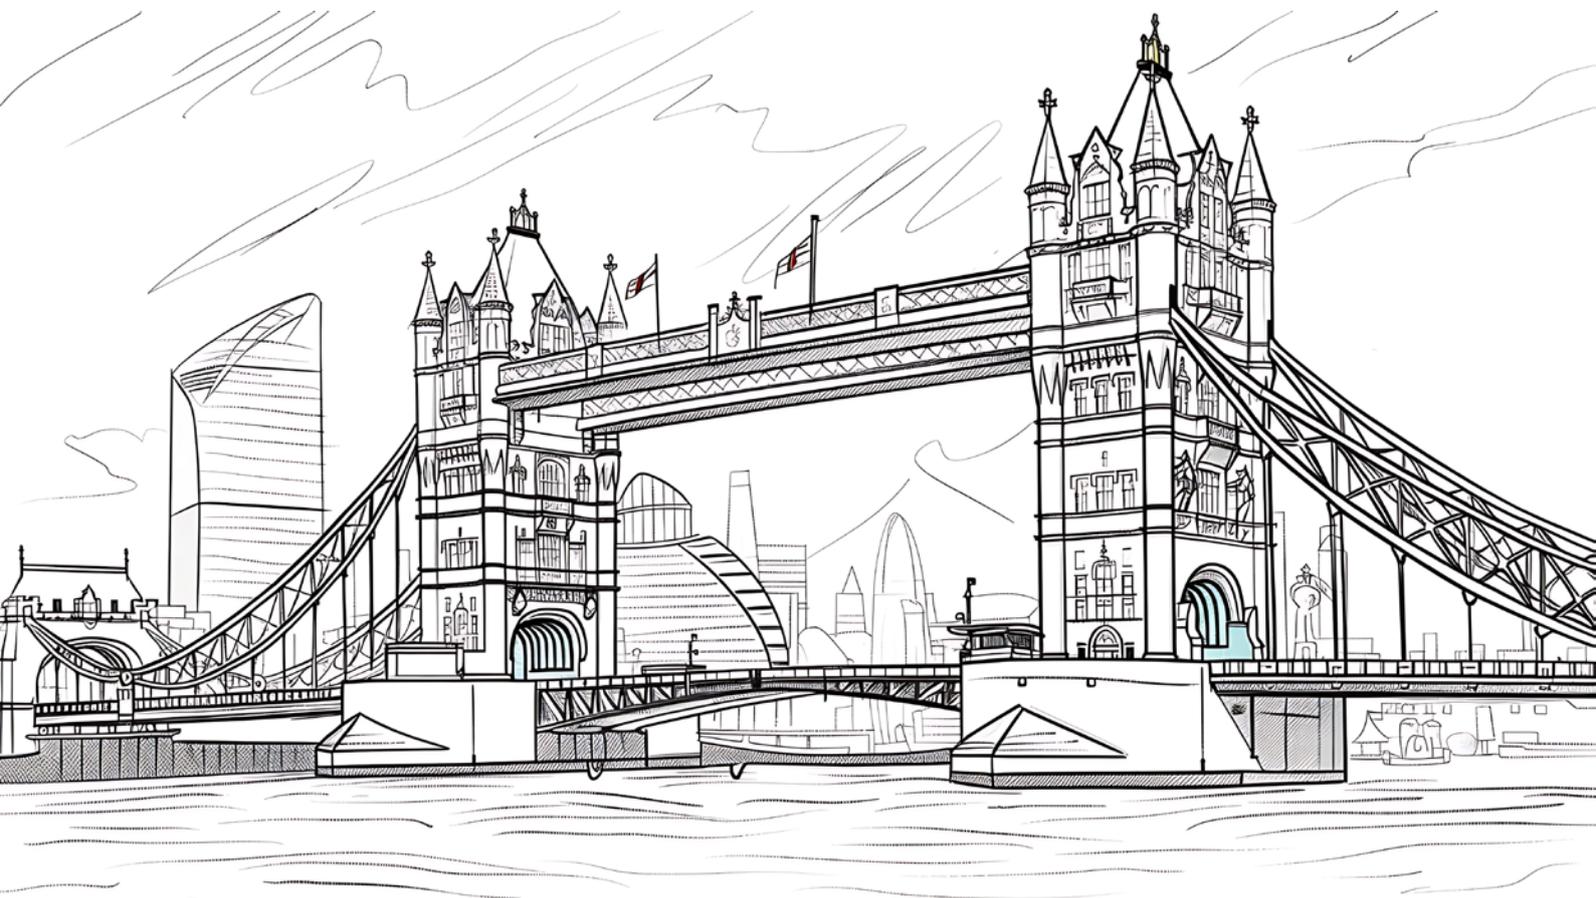

partnerships that extend beyond this mission. Let us leverage this platform to transform ideas into action, connections into collaborations, and potential into prosperity.

I extend my sincere appreciation to our partners, particularly the British Chambers of Commerce and the ETK Group, for their collaboration and support in delivering this impactful mission.

Thank you for your participation, and I wish you all a productive and successful trade mission.

Lara Kayode

Chairman, Trade & Investment Committee
Nigerian-British Chamber of Commerce

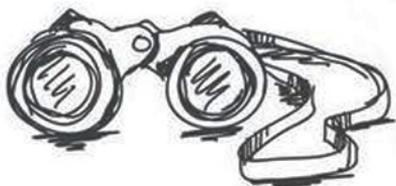

About Us

The Nigerian-British Chamber of Commerce (NBCC) is the foremost bilateral Chamber in Nigeria with the objective to promote trade and investment between Nigeria and Britain since its establishment in 1977. Foreword

Director General

It is my distinct pleasure to welcome you to the **2026 Nigerian-British Chamber of Commerce Trade Mission to the United Kingdom**, taking place from **March 25th to 26th, 2026**.

This year's theme, *"Bilateral Trade in the Digital Age: Finance, Technology & Creative Value Chains,"* reflects a pivotal moment in global commerce, one defined by rapid digital transformation, evolving financial systems, and the growing influence of creative industries as engines of economic growth. As trade continues to transcend traditional boundaries, this mission is designed to position our members and stakeholders at the forefront of these emerging opportunities.

At the NBCC, our commitment remains steadfast: to facilitate and strengthen mutually beneficial trade and investment relationships between Nigeria and the United Kingdom. This mission builds on our legacy

of delivering impactful platforms for **business engagement, policy dialogue, and strategic partnerships**, while placing deliberate emphasis on high-growth sectors that are shaping the future of international trade.

A key highlight of this year's programme is the **"Beyond London" initiative**, delivered in collaboration with the **ETK Group (Greater Essex)**. This strategic expansion beyond the capital places emphasis on our dedication to unlocking regional opportunities, fostering inclusive economic participation, and broadening market access for our delegates.

In addition, the **BCC Driving International Trade Conference** will serve as a cornerstone engagement, bringing together thought leaders, policymakers, and industry experts to explore critical issues influencing global trade, including digital innovation, investment trends, and cross-border collaboration frameworks.

From advancing digital trade and fintech partnerships to enabling innovation-driven enterprises and promoting Nigeria's globally recognised creative industries, this platform is designed to catalyse meaningful connections and sustainable growth.

Through carefully curated business-to-business meetings, networking sessions, and stakeholder engagements, participants will have the opportunity to establish valuable relationships, explore investment prospects, and gain insights into the evolving UK market landscape.

As we convene in the UK, we do so with a shared vision to deepen bilateral ties, drive innovation-led trade, and create pathways for long-term economic prosperity.

I encourage all participants to engage actively, build strategic connections, and fully leverage the opportunities this mission presents.

I wish you a productive and rewarding experience.

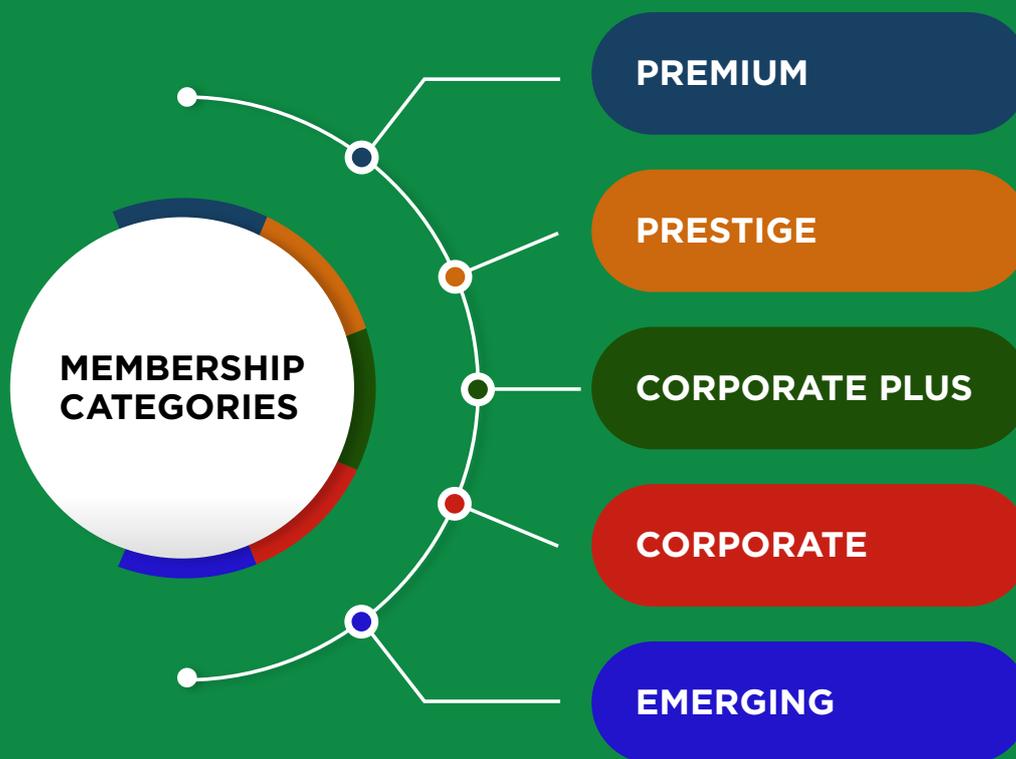

Adaobi Onyedum

Director-General

Nigerian-British Chamber of Commerce

Membership Categories

PREMIUM:

Delegate's Profile

Tariboba Wenikeba Memberr

Managing Director / Chief Executive Officer
Now Travel & Tours Limited

Tariboba Wenikeba Memberr is a seasoned aviation and corporate travel executive with over 28 years of experience in travel management, aviation services, and cross-border business operations. She is the Managing Director and Chief Executive Officer of Now Travel & Tours Limited, where she leads the strategic growth of a multi-country travel and mobility organisation operating across Nigeria, the United Kingdom, and the United Arab Emirates, overseeing transaction portfolios exceeding \$20 million dollars annually and providing leadership to a team of over fifty professionals.

Prior to this role, she built her aviation career with British Airways, supervising high-volume ticketing operations and managing corporate and VIP travel accounts.

She currently serves as a Board Director at Forthserve Limited, holds an MBA in Business Management, and holds leadership roles within several professional organisations, including Vice Chairman of NACCIMA and a Board of Trustees member of NANTA.

Her industry excellence has been recognised through awards from British Airways, Emirates, and Lufthansa.

Ifechukwu Chibueze Eziefule

Commercial Contracts Manager
Now Travel & Tours Limited

Ifechukwu Chibueze Eziefule is a commercial operations and travel mobility professional with experience in corporate travel management, logistics coordination, and enterprise service delivery.

He currently leads commercial logistics operations supporting multi-million-dollar enterprise mobility portfolios, coordinating mobility services, airline ticketing, and travel compliance for global corporate engagements across North America, Europe, Africa, and Asia. In this role, he works with executive stakeholders to strengthen vendor performance, service governance, and operational efficiency while supporting executive mobility programmes and cross-functional travel and logistics teams.

His professional background spans corporate mobility strategy, aviation ticketing systems, and operational planning, with technical proficiency in global distribution systems including Amadeus, IATA BSPLink, and Bukit by JR Technologies.

Ifechukwu holds a Bachelor of Engineering in Chemical Engineering and has completed specialised training in aviation systems, travel operations, and enterprise mobility management.

Delegate's Profile

Abdulrahman Yinusa

Group Managing Director
Odu'a Investment Company Limited (OICL)

Abdulrahman Yinusa (AY) is the Group Managing Director of Odu'a Investment Company Limited (OICL), tasked with transforming the legacy institution into a world-class investment conglomerate. A finance professional with over 30 years of experience, he joined OICL in 2023 as Executive Director and Group Chief Financial Officer

His distinguished career includes serving as Chief Financial Officer and Executive Director at Diamond Bank, where he raised over \$500 million capital and structured a \$200 million Eurobond instrument. He was also founding CEO of UBA Sierra Leone and CEO of UBA Asset Management Ltd. During the 2009 CBN intervention, he served as Executive Director at Finbank Plc, overseeing its merger with FCMB. His career began at Citibank, Nigeria in 1990.

AY holds a B.Sc. degree in Accounting from Ahmadu Bello University, an M.Sc. in Economics and an MBA from University of Lagos. A Fellow of ICAN and CIBN, he also attended executive development programs at Harvard, INSEAD, and Cambridge. He is currently Vice Chairman of the Trade & Investments Committee of the Nigerian British Chamber of Commerce.

Ismail Ayorinde Akintoye

Managing Director
SPL Business Solutions Nigeria Ltd

Born on 9th July 1969 and a 1992 Electrical Engineering graduate from University of Ilorin with MBA (International Business Management) from Lagos State University, MSc Global Management from University of Salford. I am a Sustainability enthusiast with certification from University of Cambridge and the present Chairman of EPRON. I started my career as a Field Engineer and rose to become the Territory Manager in the Worldwide Customer Services Group for NCR Nigeria PLC, a position that places the responsibility of Customer Experience Management of the entire country operations under me. In the course of my career in NCR, I participated in setting up NIBSS and before then, I had a stint with Accenture where we setup ATM Consortium Limited at the beginning of ATM revolution in Nigeria, I served as the foundation Leader in charge of ATM and Cash Management for the company. I also co-founded SPL in Nigeria after my voluntary retirement from NCR. I am married with two grown up children and I am a member of Ikoyi club since January 2010.

Zulumoke's recognitions include - a Global Impact Report by Variety Magazine as one of the 'Women That Have Made An Impact In Global Entertainment' and the 'Eko 100 Women' by the Office of the Governor of Lagos State, among others.

Zulumoke is an alumnus of the International Visitor's Leadership Program organised by the United States Department of State and continues to serve as a board member, panellist, evaluator and advisor for various establishments on policies affecting the Nigerian film industry.

Delegate's Profile

Onyinye Okenwa

Group Head, Human Resources
Cyberspace Limited

Onyinye Okenwa is the Group Head of Human Resources at Cyberspace Limited, where she provides strategic leadership for human capital development across the group's technology and digital services businesses. She plays a key role in strengthening organisational culture, building leadership capacity, and aligning talent strategies with business growth in a rapidly evolving digital economy.

Onyinye holds an MBA from Cranfield School of Management and is a member of the Royal Economic Society.

She is also the founder of Lucia de Luxe, a fashion brand focused on elegance and contemporary style for modern women.

Her work reflects a commitment to building high-performing organisations, advancing entrepreneurship, and fostering partnerships that strengthen Africa's position in the global economy.

Seun Timi-Koleolu

Founding Partner
Pavestones

Seun Timi-Koleolu is a Founding Partner at Pavestones, a female-led full-service law firm in Lagos. She specializes in Technology Law, Corporate and Commercial Law, M&A, Foreign Direct Investment, and Data Protection. With extensive experience across industries, she has led complex regional and cross-border transactions and supported foreign investors entering and operating in Nigeria. She has advised on high-value finance deals, including investments by international impact investors. Recognized globally, she is listed in the 2026 Lexology Index, Chambers & Partners, and IFLR1000 rankings. Seun has received multiple awards and holds law degrees from the University of Warwick and University College London.

Delegate's Profile

Emmanuel Ante

Chief Operating Officer
QVT Media

I design marketing operations that endure beyond campaigns while developing leaders equipped for long-term impact. As a Chief Operating and Innovation Officer with over a decade of experience, I operate at the intersection of strategy and execution—translating ideas into scalable, disciplined, and measurable outcomes. My foundation was shaped at AIESEC, where I built strengths in systems thinking, cross-cultural leadership, and high-performance execution. I have led initiatives for global brands such as Nike, Microsoft, and Oando, and currently oversee strategy and operations at QVT Media, delivering integrated campaigns across multiple platforms. With a strong grounding in finance and governance, I focus on building efficient systems and institutions that enable African talent to compete and scale globally.

Engr. Olusegun Okedoye

Managing Director/ Chief Executive Officer
Mountains Energy Solution LTD

Engr. Olusegun Okedoye is a seasoned engineering leader with 25 years of experience spanning Oil & Gas design, pipeline engineering, mechanical engineering, project development, and asset management across multicultural environments in Africa and Nigeria. He began his career in 2001 as a Design Engineer at Sudelletra Nigeria Limited and rose steadily to become Lead Mechanical Piping/Pipeline Engineer at Point Engineering. At Total Exploration and Production, he coordinated major projects, including the US\$250M OUR Pipeline and the US\$320M Northern Option Pipeline, alongside several debottlenecking initiatives.

He later joined Seplat Energy Plc, advancing from Pipeline/Facility Manager to Engineering Manager. He successfully delivered major field developments such as Okporhuru, Ovhon, and the Ohaji South project, which unlocked 6,500 bbl/day production.

Olusegun has led numerous engineering design reviews, assurance processes, and improvement programs. He holds a degree in Metallurgical & Materials Engineering from FUTA and an MBA from CEIBS, Shanghai. He is a fellow of Nigeria Society of Engineer.

Delegate's Profile

Ayotomiwa Ebum Maduekwe, MNIM

Head, Trade & Treasury
Tulcan Energy Resources UK Limited (UK & Mauritius)

Ayotomiwa Ebum Maduekwe, MNIM, is a seasoned trade & finance professional with extensive experience in treasury management, trade finance, and business development within the energy sector. She currently serves as Head, Trade & Treasury at Tulcan Energy Resources UK Limited and Tulcan Energy Resources (Mauritius) Ltd, where she leads strategic trade finance operations, including bank financing, letters of credit, and client portfolio management.

With a strong track record across Tulcan Energy Resources Limited and Sterling Assets Management & Trustees Limited, Ayotomiwa has demonstrated expertise in financial analysis, market intelligence, and regulatory compliance. She is skilled in developing business opportunities, managing stakeholder relationships, and driving revenue growth across diverse markets.

Ayotomiwa holds an MBA from the University of East London and is a member of the Nigerian Institute of Management and the Energy Institute. She is recognised for her analytical mindset, professionalism, and results-driven approach.

Adewale Ajibade Afolabi RSV, MSc, REALTOR®, CIPS, IFMA

Dewale Consulting (DCL)

Adewale Ajibade is a real estate entrepreneur focused on African markets and serves as CEO/Managing Director of Dewale Consulting (DCL), a firm providing consultancy, management, and investment advisory services across Lagos, London, Nairobi, and Kigali. With over a decade of combined industry experience, he advises domestic and international clients on acquisitions, disposals, joint ventures, and restructurings. He also leads GateWayToEastAfrica, supporting cross-border investment and portfolio diversification.

His expertise spans residential and commercial real estate, including development, leasing, investment structuring, valuations, and project appraisals. Adewale holds degrees from the University of Lagos and executive training from leading business schools. He is affiliated with multiple professional bodies and leads initiatives such as SELL REAL SMART and the Lifetown project.

Delegate's Profile

Ivy Davies Etokakpan

Editor-in-Chief/ Chief Operating Officer
EveAfrique

Ivy Davies Etokakpan is the Editor-in-Chief and Chief Operating Officer of EveAfrique, a media platform dedicated to amplifying voices and promoting regional excellence in the Niger Delta. With a clear focus on storytelling as a tool for mentorship, she has consistently spotlighted achievers whose journeys inspire and educate others, particularly women.

Through EveAfrique, she has led impactful advocacy around health and social issues, including cervical cancer, sickle cell anemia, prostate and colon cancer, combining media with real community outreach and support initiatives. Her leadership has strengthened editorial direction, built a network of young creatives and expanded opportunities for emerging talent. Beyond publishing, she has actively contributed to public discourse through speaking engagements, promoting women as leaders in business and society.

Her work has earned multiple recognitions, including honours from the Rivers State Government and leading institutions, reflecting her continued influence in media, advocacy and community development.

Chika Uche-Okeke

Head of Diaspora Banking, Creative Industry, IMTOS, and Hospitality
Zenith Bank Plc

Chika Uche-Okeke is the Head of Diaspora Banking, Creative Industry, IMTOS, and Hospitality at Zenith Bank Plc, with over 24 years of banking experience, including more than 21 years at the Bank. She has built a strong track record across branch operations and sector-focused banking, notably within the Infrastructure and Power Sector Group.

In her current role, she drives strategic initiatives that deliver innovative banking solutions for diaspora clients and high-growth sectors, with emphasis on enterprise development, market expansion, and sustainable value creation.

She holds a B.Sc. in Banking and Finance, an MBA in Marketing, and a Doctorate in Business Administration (Strategic Management). Her leadership approach prioritizes innovation, execution, and long-term ecosystem development.

Delegate's Profile

Bola Ogidan, CFA

Founder & CEO
Pirano Energy Limited)

Bola Ogidan is the Founder and CEO of Pirano Energy Limited ("Pirano"). Prior to founding Pirano, he most recently served as the Chief Revenue Officer of Rensource Energy, a leading solar venture in the delivery of micro-utilities across Nigeria. Mr. Ogidan spent the last decade primarily working in Finance and Consulting, beginning his career at Accenture before moving to Credit Suisse and then the Blackstone Group as an investment professional in the United Kingdom. Mr. Ogidan graduated from the University of Oxford with a 1st Class MEng degree in Engineering Science and is a Chartered Financial Analyst.

Olusegun Enitan Dada

Group Chief Executive Officer
ITH Holdings

Olusegun Enitan Dada is a technology entrepreneur and the Group Chief Executive Officer of ITH Holdings, a Nigerian technology holding group spanning cybersecurity, software development, and fintech. He has spent over fifteen years building companies in Nigeria's technology sector, navigating the full range of challenges that come with building serious businesses in an emerging market environment, from early-stage capital constraints to complex regulatory landscapes and the persistent work of attracting and developing technical talent. He is the founder of IT Horizons, ZojaTech, and ZojaPay, and a committed advocate for the next generation of African founders through the OED Foundation. His forthcoming book, *From Ground Up*, addresses the specific realities of building companies on the African continent and is scheduled for publication in August 2026.

Delegate's Profile

Rita Amuchienwa

Senior Business Development Manager
ITH Holdings

Rita leads the ITH strategic business development initiatives focused on building scalable partner ecosystems, unlocking new markets, and accelerating adoption of next-generation technologies across enterprise, private, and public sectors. Operating at the intersection of channel strategy, commercial execution, and ecosystem orchestration, I bring a structured, results-driven approach to growth.

With experience across global OEMs including Intel, Oracle, Schneider Electric, Lenovo, and HP, she applies OEM-grade discipline to partner strategy and go-to-market execution. Her work spans EMEA and emerging markets, where she designs and enables high-performing channel and alliance ecosystems.

She specialises in driving cloud, AI, and data infrastructure adoption through consultative engagement, shaping market-aligned strategies, negotiating complex enterprise agreements, and translating technology innovation into measurable business outcomes.

Jacob Bennet

Business Development Manager
ITH Holdings

I am a Business Development Manager with a passion for helping organisations find the right IT infrastructure solutions to support their growth. I enjoy building genuine relationships with clients, understanding their challenges, and working closely with technical teams to deliver solutions that truly make a difference. My approach is simple, listen carefully, think strategically, and act with purpose.

Over time, I have developed a strong ability to spot opportunities, connect people, and turn ideas into practical outcomes. I am naturally driven, approachable, and committed to delivering value in every interaction. Being part of a fast moving industry keeps me constantly learning and adapting, which I genuinely enjoy. As I attend the NBCC event, I'm looking forward to meeting new people, sharing experiences, and exploring how we can collaborate to support each other's business goals.
